Dear OSCAR:

Congratulations! You have successfully enrolled in Green Dot Prepaid Card Bill Payment -- a convenient service that enables you to receive, view, and pay your bills from one centralized place, saving you time and simplifying your life.

Some companies can send electronic versions of your bills to you via Green Dot Prepaid Card Bill Payment so you can view and pay each bill without ever handling a single piece of paper. If you choose, you can also receive an e-mail that tells you when we have received a bill for you. If you would like to know more about receiving electronic versions of your bills via our site, please click on "Help" while you are in online bill payment, then navigate to the "Manage the Electronic Version of your Bill" section.

In addition to paying each bill when you receive it, you can set up future payments and we will automatically process the payment for you on the scheduled date. We will even notify you via email if for any reason we are unable to process the payment as scheduled. To begin your online bill payment experience, please sign in to your Green Dot Prepaid Card account, and then click on "Bill Payment".

If you have questions while you are paying your bills, click the Help link on any page to view help and frequently asked questions.

Once again, congratulations on your enrollment, and thank you for choosing the Green Dot Prepaid Card!

If you did not request bill payment services through Green Dot Prepaid Card and this message has reached you in error, please contact us at 877-238-7277.
